Please confirm availability of the setup below before the event. Anything that can't be provided: let me know in advance so we can agree an alternative.

MIXER	Allen & Heath Xone:96
CONTROLLERS	2 × Allen & Heath Xone:K2, connected over X:LINK: Xone:96 to Xone:K2 #1, then Xone:K2 #1 to Xone:K2 #2
MONITORING	2 × powered booth monitors, fed from the Xone:96 booth output, at ear height and facing the DJ
BOOTH	Sturdy, level DJ table, 110-120 cm high (the artist is 1.85 m tall), isolated from speaker and dance-floor vibration
LAPTOP	Space beside the mixer for a laptop, which runs the Xone:K2 controllers
